Newton Newcomer Pleads Guilty to Three Counts Attempted Jury Fixing

Embracery and Bribery Spec-
ified in Indictment Against
Ex-Jail Warden.

OTHER CASES TO BE TRIED

Motions for Continuance and Quash-
ing Newcomer Case Refused; Arrest
of Defendant Follows Tip by Min-
istry (Connellsville Water Co. Sued.

Released a continuance of the case
against John D. Newton, Newcomer,
former Fayette county jail warden
and one-time candidate for sheriff,
this morning in Uniontown entered
pleas of guilty to three counts of em-
bracery and bribery in connection
with efforts to influence jurors in the
case of Frank C. Monaghan, Union-
town man, charged with violation of
the liquor laws.

Other cases including that of Logan
Rush of Connellsville, are to be tried
during the week.

At the time the case of Newcomer
was called motion was made for a
continuance of the case on the ground
that part of counsel was assisting
in the trial of the Benito Brown mur-
der case and that the defendant did
not have opportunity to examine the
indictment. A motion to quash the
case, offered "as a matter of form,"
was also quashed.

Counsel for Newcomer, then an-
nounced that he was ready to plead.
The penalty for embracery is \$100
and imprisonment for one year.
There are three counts against New-
comer.

The case against Newcomer devel-
oped during the March term of court
following a tip from Rev. E. A. Mod-
est, pastor of the Third Presbyterian
church of Uniontown to the commit-
tee of One Hundred and district at-
torney that a member of his church,
L. E. McCann, had been approached
by Newcomer and offered \$100 if he
would throw his influence as a juror in
favor of acquittal for Monaghan. Mc-
Cann, Lawrence Burdett of Redstone
township and James Christopher of
Luzerne township all testified to hav-
ing been offered money by Newcomer.

After examining six witnesses a jury
was empaneled in the case of Benito
Brown, colored, of Continental No. 3,
charged with the murder of Sylvest-
er Williams at Continental No. 3
on the night of February 12 last.
Testimony in the case was begun this
morning at 9 o'clock. Following is
the jury:

John H. Rhodes, Connellsville.
Joseph V. Blane, Lambert.
Joseph Froed, Dunbar township.
Fred Shultz, Springhill No. 1.
L. R. Metcalf, Connellsville.
William Sherrick, Tyrone.
Jonathan S. Boyd, Rockwell Twp.
J. Homer Mack, Uniontown.
William E. Green, McClellandtown.
W. J. Jones, Springhill No. 2.
H. R. McFarlane, Wharton Twp.
Howard Porter, E. Millboro.
Admits Forgery.

Victor M. Macko, of Connellsville,
pleaded guilty to charges of forgery
and uttering, and printing forged
checks and was sentenced to pay the
costs and stand committed to Hunt-
ington. He was charged with forging
eight checks upon the Colonial Na-
tional bank for a total of \$625.

Water Company Sued.
Harrison Hay, of Connellsville, and
the City of Connellsville for the use
of Harrison Hay, each brought suit
against the Connellsville Water com-
pany for \$10,000 damages resulting
from fire which destroyed the home
of Hay on Tenth street, on March 24,
1920. It is alleged that an alarm was
sent into the Connellsville fire com-
pany which responded quickly and at-
tached the hose to the fire plug on
Tenth street near his home, and that
the water pressure was insufficient to
meet the needs. Another hose was at-
tached to the fire plug at the corner
of Crawford avenue and Tenth street
but it is alleged that sufficient pres-
sure could not be obtained there. Neg-
ligence is alleged on the part of the
company in not having the sufficient
water supply.

Other Court News.
The case of Homer Shultz, of Con-
nellsville, was not pressed and a
leave was granted. The case of
Edward C. Beiler, The couple are
said to have been married prior to the
opening of court.

A petition was presented in court
asking for the appointment of Sam-
uel R. Means as constable of the bor-
ough of Vanderbilt to succeed Joseph
Rutlliff, resigned. The petition was
ordered granted.

Hummer Campbell, of Leisearing
No. 1, filed a libel in divorce against
Ida May Campbell, of Port Vue on the
grounds of desertion. They were
married May 31, 1916, at Port Vue.

Sheldertown Man Arrested.
Paul Showman of Sheldertown was
given a hearing in police court last
night on a charge of disorderly con-
duct. He was released on \$500 bond
and will appear again at 11:30
o'clock tomorrow morning by Pat-
rick Barren. Acting Mayor Shaw
assessed him a \$25 fine or 30 days in
jail. He was the fine.

HEAVY LIQUIDATION FEATURED NEW YORK STOCK MARKET TODAY

Many Leading Shares Lose Two to 10
Points in First Half of the
Session.

By Associated Press.
NEW YORK, June 7.—Heavy liq-
uidation largely of an involuntary char-
acter featured today's stock market.
Many leading shares lost two to 10
points in the first half of the ses-
sion with a turnover of about 700,
000 shares.

A large proportion of today's offer-
ings resulted from the enforced clos-
ing of week-end accounts held on
margin together with further calling
of loans by the banks.

All classes of stocks not excepting
the high class dividend paying rails
were included in the decline. Losses
were extensive, however, in oils, met-
als, steel, equipments, sugar and
shipping.

Many of these issues already have
suffered serious price impairment
from dividend reductions of commis-
sions and others were sold in antici-
pation of such action.

The foreign situation as indicated
in the unsettled state of international
commodities and the firmness of do-
mestic money rates also were factors
in the day's reaction.

Assessor E. T. Lyne Begins Triennial Canvass of City

Before beginning today the tri-
ennial assessment in Connellsville
Assessor E. T. Lyne appeared before
council Monday night for instructions
as to the basis of assessment for wa-
ter. Without any advice to the con-
trary members of council were of the
opinion that women following similar
vocations should be assessed the same
as men. The matter, however, was
referred to the solicitor.

Assessor Lyne planned to start to-
day in the Seventh ward. He tested
attention to the law which required
all persons to give full and truthful
answers to questions and asked for
the cooperation of the people.

The assessor also asked that per-
sons disposing of property comply
with the requirement to report the
same to the city clerk.

Next Odd Fellows Grand Lodge Meet To Be in Pittsburgh

By Associated Press.
PHILADELPHIA, June 7.—The
grand lodge of the Odd Fellows of
Pennsylvania today selected Pitts-
burg for the 1922 sessions.

Previously to the grand lodge going
into session there was a special meet-
ing at which Grand Master Chabnon
conferred the grand lodge degree on
over 800 past grand and representa-
tives who heretofore had not received
it.

MAN IS FINED \$50
Joe Cohen, Charged With Striking
At Trolley Car Conductor.

Charged with disorderly conduct
Joe Cohen was fined \$50 or given the
alternative of spending 30 days in jail
by Acting Mayor R. E. Shaw in police
court this morning. Cohen was placed
behind the bars but later secured the
money.

It was charged that Cohen struck at
Frank Dunn, a West Penn trolley car
conductor, following an altercation
about a fare just paid. Cohen alleged
Carnegie used bad language and choked
him. Patrolman Humberston and
Coughenour made the arrest, taking
Cohen from the car.

DEAD IN PUEBLO FLOOD TOTAL 55; WATERS RECEPING

Committee of Real Estate Men Esti-
mate Loss Is Approximately
\$200,000,000.

By Associated Press.
PUEBLO, Colo., June 7.—Known
dead from Friday's flood in Pueblo
totalled 55 today when three addition-
al bodies were recovered.

No burials will be held for several
days, it was said, because of the im-
passable condition of roads to the
cemetery.

A committee of real estate men to-
day estimated the property damage in
Pueblo at between \$15,000,000 and
\$20,000,000. This damage was an ap-
praisal of the buildings and the con-
tents.

With the recession of the flood
waters of the Arkansas river to a point
which made most of the downtown
streets and railway yards accessible,
considerable progress was expected to
be made today in the work of
clearing up the streets and buildings.

WASHINGTON, June 7.—Decision
to seek \$1,000,000 for relief work was
reached by the Colorado delegation in
congress after conferences with Presi-
dent Harding and Secretary Weeks.
The proposed appropriation would be
used solely in the relief of distress and
would not be applicable to the res-
toration of property.

The American Red Cross announced
today that contributions received in
answer to President Harding's appeal
for relief of the Colorado flood suf-
ferers would be forwarded promptly
to the stricken area.

WASHINGTON, June 7.—One mil-
lion dollars would be made immedi-
ately available for relief work in the
flood district of Colorado under
resolutions introduced simultaneously
in the Senate and House by Senator
Philips and Representative Hardy,
both of Colorado.

PUEBLO, Colo., June 7.—With plans
laid for a complete census of destitute
families in the flood district for the
establishment of a refugee camp and
for the installation of a complete food
hospital, systemization and centraliza-
tion of relief work in this district be-
gan in earnest today.

This morning a list of known de-
ad was compiled. It contained 30 names.
The list was increased shortly in view
of the thorough searches for the dead
now being made.

Rickards Is to Be Named Head of the Militia Department

By Associated Press.
WASHINGTON, June 7.—Recom-
mendation of Brigadier General
George C. Rickards of Old City, Pa.,
to be chief of the militia bureau was
recommended to President Harding
today by Secretary Weeks.

The nomination is expected to be
sent to the Senate within a day or two.

G. O. P. MEETING

New National Chairman to Be Select-
ed in Washington Wednesday.

WASHINGTON, June 7.—The Re-
publican National committee will
meet here Wednesday to choose a suc-
cessor to Will H. Hays, postmaster
general in the cabinet of President
Harding, to head the question of
national representation in the nation-
al conventions of the future.

There will be no contest over the
successor to Chairman Hays. John A.
Adams of Iowa, present vice-chair-
man and for years an active worker
for the party in the West, will suc-
ceed to the chairmanship. His place
will not be filled immediately.

ALL SEATS SOLD
Interest in Class Play Indicated by
Heavy Sale.

The entire seating capacity of the
high school auditorium has been sold
out for the class play, "Uncle Bill's
Dilemma," to be presented tonight.
Standing room only may be secured.
The cast held its final rehearsal
this morning and is prepared to pre-
sent a farce equally as good as those
of past seasons, when the plays have
been sold. The heavy demand for
seats is indicative of the interest in
the play.

There probably will be a number of
seats available tonight in cases where
tickets sold are not used. There also
is "plenty of standing room." Super-
intendent D. B. Smith remarked.

SCHOOL BOARD ELECTS THREE MORE TEACHERS

Trio of Instructors Is Added to
High School Corps; More
Vacancies.

More vacancies in the teaching
corps of the Connellsville high school
were filled last night at a meeting of
the school board. Three teachers
were elected and there are still a few
more to be chosen.

Miss Mary L. Stevenson of West
Newton, a graduate of Pennsylvania
College for Women, Pittsburg, with
one year's experience, will teach
French; Miss Maude R. Hunt, of
Michigan, a graduate of Oberlin col-
lege, with one year's experience will
teach English; Martin W. Hartman, a
graduate of Allegheny college, one
year's experience, will teach mathe-
matics and history.

Tuition for out of town pupils was
fixed for the 1921-22 term. For
grades from 1 to 6 the assessment will
be \$4; from 7 to 8, it will be \$5;
and from 9 to 12 (high school) the
charge will be \$8. The amounts are
an increase of 50 cents a month in the
grades and of \$1.50 in the four upper
grades.

Mrs. W. O. Schoonover, represent-
ing the Woman's Culture club, ap-
peared before the board and asked
permission to use the basements of
the school buildings in connection
with the playgrounds during the sum-
mer months. She said that as there
would be four playgrounds this year
it was probable the average attend-
ance for the day would be 100.

The directors were not anxious to
grant permission to use the school
buildings as it was necessary to go
through the halls of some to reach the
basements and it was felt damage
might be done. Mrs. Schoonover said
she thought the buildings should be
kept open as community centers. She
suggested the board consult with J. P.
Rupp, physical director at the high
school during the past term, as he
will have charge of the playgrounds,
and hear the plans he has outlined.
The directors took no definite action
on the question.

It was voted to borrow \$14,000 for
the purpose of paying salaries of
teachers for the ninth month of
school and other closing expenses. The
treasurer's report showed that only
\$1,000 remained in the treasury. The
money will be borrowed on a demand
note. The low treasury has resulted
because of the semi-annual state ap-
propriation has not been received to
date.

J. W. Reister asked that the house
used by the sisters of the parochial
school be exonerated from taxation
and produced a certificate showing
the immaculate Conception church
had been exempt by the county
commissioners as it is used for re-
ligious services. As the taxes had al-
ready been paid by Tax Collector A.
O. Bistner a draft for \$78.75 was
ordered drawn in favor of the school.

The bids for painting the school
houses of the district were opened
and the contract awarded to Powell &
Martin whose figure was \$856.13.
The next lowest was \$930, submitted
by W. S. Storey. Other bids were
submitted by the Connellsville Construc-
tion company for \$1,383 and Lyman Pope,
\$1,107. The contract calls for two
michigan paint, the work to be finished
by August 15.

Fire Alarm Boxes In Places of Public Assembly Are Asked

Councilman Jesse A. Cypher, head
of the city department of public
safety, will ask churches, theatre
owners, hospitals and owners of pub-
lic halls to have fire alarm boxes in-
stalled in or near the buildings used
for the various purposes mentioned.
This is looked upon as an additional
safety precaution.

Mr. Cypher said if the boxes are
purchased the city will have them in-
stalled.

SOMERSET CONVENTION

Four Hundred Sunday School Dele-
gates to Gather at Meyersdale.

MEYERSDALE, June 7.—The 17th
annual convention of the Somerset
County Sunday School association
will be held in Meyersdale on Wed-
nesday, Thursday and Friday of this
week.

Sessions will be held in the fore-
noon, afternoon and evening. Over
400 delegates are expected.

Five-Cent Loan Funding.
WASHINGTON, June 7.—Return of
the five-cent loan of bread is a near
possibility, through the United
States, Secretary of Agriculture Wal-
lace said today.

Connellsville Division Fuel Bill \$2,153,137 in Year, B. & O. Men are Told

Urgent Need of Conservation
Laid Before Employees at
Mass Meeting.

COMPANY WELFARE THEIR

Employees of the Baltimore & Ohio
railroad and their "housewives" held a
get-together meeting at the auditor-
ium of the Baltimore & Ohio Y. M. C.
A. last night, taking up the matter of
fuel saving and talking over railroad
matters in a general way. Following
the speaking there were several rec-
itals of motion pictures showing some in-
teresting railroad scenes.

The meeting was attended by a rep-
resentative body of employees. There
was no stiff formality about the gath-
ering and every effort was made to
make the men feel perfectly at home.

The main topic of the evening was
fuel saving. "The enormous cost of
fuel was laid before the men and they
were urged to put forth greater
effort to save coal. M. L. McElhenny,
trainmaster at Connellsville, told his
audience that the coal bill on the Con-
nellsville division alone last year was
\$2,153,137. "What would this be on
the whole Baltimore & Ohio system?"
he asked.

"You can all help," he declared in
urging the men to aid in keeping down
expenses, "from the track walker to
the superintendent. We are all here
to help make this railroad go."

M. C. Thompson of Pittsburg, su-
perintendent of locomotive operation,
announced that an effort would be
made to hold similar meetings once
each month and asked those present
to bring their fellow workers with
them. The meetings may be held the
first Tuesday of each month.

P. J. Hartigan, mechanical exam-
iner, urged the men to "give their ex-
perience as every advantage to the com-
pany as an advantage to the employee."
He pointed out that the railroad
brings much money to this city and
urged the railroaders to speak to
their friends and neighbors and those
with whom they dealt in business,
concerning intended trips or ship-
ments of freight.

The mass meeting was opened by Super-
intendent T. J. Brady. C. L. Birnie,
road foreman of engines, presided. G.
A. Schmitt, district superintendent of
 motive power, spoke as did John P.
Long, master mechanic. Engineer E.
A. Dunn also made a few remarks.

Other present, and through whose
efforts the meeting was held, were:
W. N. Porter, road foreman of en-
gines of Cumberland; Charles Schull,
road foreman of engines at Rock-
wood; W. E. Dayland, trainmaster at
Cumberland; John P. O'Donnell,
trainmaster at Rockwood; E. C. Mc-
Clelland, trainmaster of the P. M. & P.
district; and Edward S. Marsh, road
foreman of engines in the P. M. & P.
district.

The motion pictures shown were
of a fireman at work to the engine.
It gave the movements of a good fire-
man and those of an inefficient one.

PERMITS MUST BE SECURED

Councilmen Indulge in Heated Talk
Over Fire Rules Revision.

After the contractor on a three-
story apartment addition to the home
of Frank D'Auria, Sr., in North alley
had been built by order of Superin-
tendent Jesse A. Cypher of the public
safety department because the type of
construction conflicts with the fire
regulations, Mr. D'Auria was given
permission by council Monday night
to continue, provided steel and brick
are substituted for wood. He agreed
to this.

Council devoted some time to dis-
cussion of alleged evasion of the fire
regulations by building contractors
and decided that the ordinance re-
quiring permits must be rigidly en-
forced.

FIRST AID CONTEST

Annual Atrial Will Be Held at Leisearing
Saturday.

The eighth annual first aid contest
of the H. C. Brick Coke company will
be held at the Leisearing No. 1 mine
Saturday, June 11.

A number of teams will compete in
this contest, which is scheduled to be-
gin at 2 o'clock.

Asbury Park Founder Dies.
NEW YORK, June 7.—James A.
Bradley, founder of Asbury Park, died
last night at the age of 91. His death
followed a general breakdown last
winter. Asbury Park had planned to
unveil a statue in honor of Mr. Brad-
ley on June 28, the 50th anniversary
of the founding.

Foreign Relations Considered.
WASHINGTON, June 7.—Relations
with the United States and Latin
American countries, particularly
Mexico and Santo Domingo were
considered at length at today's cabi-
net meeting as it was indicated that
developments in regard to each of
these countries might be expected
shortly.

Col. Barnhart on JURY.
WASHINGTON, June 7.—Colonel J. J. Barnhart of Sunnyvale
is serving on the jury in Uniontown
this week.

PUBLICITY ON COAL INFORMATION BEFORE LEADERS IN INDUSTRY

Other Matters Also Considered at
Meeting in Office of Secretary
Fall, Washington.

By Associated Press.
WASHINGTON, June 7.—Publicity
for information relating to the coal
industry was the subject of a discus-
sion at an informal conference today
in the office of Secretary Fall of the
Department of the Interior. Secretary
Moore, officers of the National Coal
association and representatives of
wholesalers and retailers of coal at-
tended.

The conference was arranged
through Senator Frelinghuysen, Rep-
ublican, New Jersey, author of a
bill now before the Senate providing
for collection and publication by the
Department of Commerce of infor-
mation regarding coal mining and trans-
portation. The proposed transfer to
the Department of Commerce of cer-
tain functions of the bureau of mines
also was to come up for discussion.

British Forces Capture 100 Sinn Feiners in Battle

By Associated Press.
CORK, Ireland, June 7.—Crown
forces captured more than 100 mem-
bers of the Irish republican army in
Mill street last night after a battle in
which three Sinn Feiners were killed
and 12 wounded. The casualties to the
crown forces, it is stated, were slight.

The crown forces were conducting an
extensive operation over a wide area
with airplane scouts when they en-
countered the Sinn Feiners.

DUBLIN, June 7.—Three men con-
victed of participating in recent dis-
orders in Ireland were executed here
this morning. Edward Foley and
Patrick Maher went to their doom
for the murder of a royal Irish con-
stabulary sergeant at Knocknagilly
while Constable William Mitchell was
executed for the murder of Magistrate
Dixon of Dunavin, County Wex-
ford.

FIRE AT WKEESPORT

McKeesport Tin Plate Company Suf-
fers Very Heavy Loss.

By Associated Press.
PITTSBURGH, June 7.—Fire start-
ing in the Musser Cedar company at
McKeesport last night spread to the
McKeesport Tin Plate company, caus-
ing a loss estimated by officials of the
company at more than \$2,000,000.

The Musser Cedar company, which
manufactures boxes, was destroyed
at an estimated loss of \$200,000, while
the shipping and machine shop de-
partments of the McKeesport Tin
Plate company were wiped out.

Youngster Gets Bad Fall.
While playing at the top of Speers
hill at Dunbar yesterday morning,
Martin Polak, six years old, son of
Mrs. Carl Smith and grandson of D.
C. Polak of this city, fell to the ground,
50 feet below, and suffered a painful
injury when a splinter ran entirely
through his arm. His teeth were
loosened and he was injured about
the legs. He was given medical
treatment, but remained conscious at
all times.

Sewer Line Not Deep Enough.
Work on the remodeling of the
former Methodist Episcopal church into
business rooms and apartments by
W. D. McGinnis, the purchaser, has
been held up until provision has been
made for lowering the sewer in Apple
street, which is two feet above the
bottom of the basement of the new
building. Work on the sewer line ap-
peared before council last night for re-
fined. Council will investigate.

Woodmen Hold Memorial.
MEYERSDALE, June 7.—Sunday af-
ternoon at 2 o'clock memorial ser-
vices were held in Union cemetery by
Meyersdale Camp No. 7010, Modern
Woodmen. The boys' band headed the
procession from the hall to the cemetery
and after the graves of the deceased
members were decorated, Congress-
man S. A. Kendall delivered an elo-
quent and very appropriate address.

Three Arrests in Race Riots.
TOLSON, Okla., June 7.—The first
step toward prosecution of alleged
leaders of the race riots and subse-
quent burning of the negro district
here last week with a loss of 32 lives
was taken today with the filing of
charges against K. B. Stratford, a
negro, and three other negroes. They
are charged with rioting.

Still Causes Fire.
IRWIN, June 7.—That the fire at
Westmoreland City which wiped out
an entire block and caused a loss es-
timated at \$300,000 early Monday
was caused by a will which was being
operated in an abandoned barber shop
is the belief of firemen who searched
the ruins following the fire.

WILLITE SURFACE FOR CRAWFORD AVE. WILL COST \$31,000

Bid Submitted to Council Does
Not Include Steepest Por-
tion of Street.

Proposals Also Submitted for Use of
Brick on Slag Base at Cost of \$69,000
and for Brick on Old Base at \$20,000.
Apple and Arch Streets Let.

Re-improvement of Crawford ave-
nue, based on bids opened by council
Monday night, will cost the city \$31,
525 to \$122,012, depending on the type
of construction to be adopted. A sum-
mary of the lowest bids submitted
shows the following:

Material	Cost
Asphalt concrete on pre- cast brick surface, using Lay- ton brick	\$15,250.25
Brick surface on seven-inch concrete base, using Lay- ton brick	123,224.00
Brick surface on seven-inch concrete base, Penn Clay brick	122,612.40
Brick surface on slag base, Layton brick	69,250.10
Brick surface on slag base, Penn Clay brick	69,409.02
Brick surface on old base, brick two and one-half inches thick	30,412.80
Brick surface on old base, brick two and five-eighths inches thick	35,722.95
Brick surface on old base, brick four inches thick	41,326.55

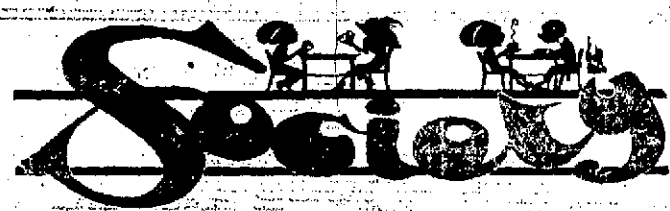

In order that the bids, hastily
totaled after they had been read,
might be checked, council deferred
action on the awarding of the contract
until next Monday night.

The Bituminous Paving & Reas-
phalting company of Pittsburg, repre-
sented by P. J. Ridge, was the only
bidder for repaving the street. The
proposal provided for a two-inch
wearing surface of willite on top of
the present brick surface, the con-
tractor having agreed previously to
give a five-year bond to protect the
city.

The bid does not cover that
portion of the street between and 18
inches on either side of the rails of
the West Penn Railways company.
The same is also true of all other
bids. Nor does the willite bid in-
clude the steep section of the hill be-
tween Pittsburgh street and Hans
avenue which will be paved with brick
regardless of what disposition is made
of the remainder of the thorough-
fare.

The bid for repaving on a con-
crete base, submitted by T. H. Frazier
of McKeesport, was a surprise to the
members of council. Whereas
the original estimate for the work had
run well above \$200,000 Mr. Frazier's
proposal is to complete the work for
\$121,224 if Layton brick be specified,
and \$122,612.40 if Penn Clay brick is
desired. Little attention had hitherto
been given to brick on concrete be-
cause of the prohibitive cost. What
action now will be taken is to be de-
termined by the next meeting.

Mr. Frazier also submitted a bid
for repaving with brick on a slag
base. His figure—ranging from \$75,
589.60 with Layton brick to \$73,976.88
with Penn Clay.

Plan for Memorial Services.
Plans for the annual memorial services to be held Sunday afternoon, June 13, in the Suburban theatre, were discussed at the regular meeting of the Woman's Relief Association of the Macabees held last evening in Odd Fellows hall. The joint program and decorating committee, composed of Mrs. Nellie Vaughn, Mrs. Liberta Johnson, Mrs. Emma Stoner, Mrs. Pauline Gallagher, Mrs. Emma L. Coville, Miss Albert C. Simon, Mrs. Anna Miller, Mrs. Ida Armstrong, Mrs. Alice Crawford, Miss Margaret DeBolt and Mrs. Gertrude Storey, will meet Friday evening at the home of Mrs. Russell Vaughn, 113 North Second street, West Side. It was announced that all members desiring to attend the memorial rally to be held in Uniontown Friday, June 17, are to leave here on the 12:30 o'clock street car to attend the afternoon session and on the 6 o'clock car to attend the evening session. Members of the review expect to attend the annual picnic for the reviews of southwestern Pennsylvania to be held at Kenyonwood park, Pittsburgh. Four new members were initiated and seven applications were received.

G. A. R. Post to Meet.
The regular meeting of the William F. Kuriz Post No. 104, Grand Army of the Republic, will be held Friday afternoon at 2 o'clock in Odd Fellows temple.

Fifty Candidates Initiated.
About fifty candidates from Dunbar, Leisecourt and Connellsville were initiated at a meeting of the Catholic Daughters of America held last evening in the parochial school auditorium. The officers of the local society had charge of the initiation, which was followed by a well appointed banquet. The candidates and officers were seated at two large tables arranged at one side of the hall, while others present were served from small card tables. Miss Ella Murphy, district deputy, and Miss Gertrude Marshall, vice grand regent, both of Greensburg, and Mrs. Mary Conway, grand regent, of Scottsdale, were among the visiting guests. Others were also present from McKeesport, Scottsdale, Greensburg and Jeannette.

Athena Temple to Meet.

The Essence of Thrift is obtained in Wise Spending

Laying out of money for those things that pay best—that yield the largest returns is real thrift.

Pinching pennies and petite parsimony are not a part of thrift. These demean and belittle the use of thrift.

The intent of the practice of thrift is to cause us to spend what money we have to spend, prudently. To buy only those things which will do us the most good, ultimately, and avoid all outlays which bring us no permanent benefits.

The Frederick Thrift Club, the best of present examples

The Frederick Thrift Club is based upon the belief that music in the home is essential to culture, refinement and happiness, that it involves the prudent outlay of money and it pays large dividends in permanent benefits.

These at all times.

But to those basic facts we have added economies and privileges to make it attractive and inviting for you to make an investment in music NOW.

Just see what we have made this Thrift Club to mean:

- 1—You may procure a Francis Bacon piano for \$395.
- 2—You may procure a Francis Bacon player-piano for \$595.
- 3—You may procure a Francis Bacon Baby Grand piano for \$745.
- 4—You may make a lower initial payment than usually prevails. In fact, the amount of your first payment is a matter that is determined by your own convenience.
- 5—Your regular weekly or monthly payments may be spread out over a period of 3 full years.

The above shows savings to be effected and the easy manner in which you can own one of these beautiful instruments by merely paying for it through the Frederick Thrift Club.

To these advantages, the Frederick Thrift Club members are also given these additional privileges and benefits:

- 1—Free delivery within 150 miles.
- 2—Having all remaining unpaid payments canceled in event of death.
- 3—Having their instrument restored or replaced without charge in event of fire.
- 4—The privilege of making half-payments, in event of sickness, injury or loss of employment for as long a period as the Club Member has kept up his regular payments.
- 5—The privilege of exchanging the instrument selected for another at any time within six months without further expense.

These conditions taken as a whole constitute the very essence of thrift. They constitute economy—making an invaluable permanent investment in culture, refinement and entertainment for one entire family and the procuring of every valuable essential to safeguard the investment.

And what is more, the investment is made so easy that one need not sacrifice or deny any other desirable investment.

Why not come to the store tomorrow and, at first hand, go into every detail of this most economical and thrifty plan? It will pay you, if you ever expect to give your home the advantage of music.

ECONOMY ON THE HILL

Handwriting: Telegraph

Governor Wm. C. Sproul is de-
termined that economy shall rule in
the administration of the state govern-
ment. His letter to the several heads
of departments is such a communi-
cation as might be expected from an ex-
perienced business man. He points
out where expenditures may be
avoided and saving accomplished in
the handling of the Commonwealth's
business. He feels it a duty as sug-
gested in his letter to draw the
attention of all the departments to
the absolute requirement that out-
goings be reduced to the lowest limit con-
sistent with good service. He
naturally refers to the industrial
and commercial depression as de-
manding cut care in expenditures of
every sort and suggests that large
amounts may be saved if requisitions
are carefully scanned for heads of
departments before being approved
and that nothing be ordered save
such things as are absolutely neces-
sary.

Governor Sproul states in this rather
unusual letter which will be ap-
proved by all the people he has
found upon investigation that there
is much waste and loss through
careless requisitioning of things
which are not necessary because
equipment and supplies might be
made with a little skill and manage-
ment to go further than under exist-
ing conditions. It particularly strikes
hard at the use of the long distance
telephone when a letter would serve
the purpose and mentions the indis-
criminate use of state automobiles
for other than necessary service. He
also takes a whack at the excessive
use of electric light and other ex-
penditures of thoughtless waste in the
general operation of the several de-
partments.

The governor compliments the offi-
cials and employees upon their dis-
position to cooperate in bringing
about economy and efficiency and
observes that there is an air of busi-
ness-like attention to duty about the
capitol and state offices which is
commendable and encouraging. In
this connection he says the fine spirit
shown has been favorably commended
upon by visitors from distant parts
of the state and from other states. He
hopes in conclusion that there may
be found a still further improvement
in conditions affecting these matters.

The telegraph cannot recall any
similar appeal by a governor for per-
sonal cooperation of officials of the
state and working economy in the
use of the things which go toward
making up bills of expense in the
state government. The roar of ap-
proval which is sure to rise heaven-
ward from every community in the
commonwealth is certain to be heard
on Capitol Hill.

SUMMER DULLNESS IN STEEL HAS COME MONTH IN ADVANCE

Buying Very Limited: Mill Operations Apparently Will Drop to a 25 Per Cent Capacity Basis.
Special to The Weekly Courier.

NEW YORK, June 7.—The American Steel Market and Daily Iron & Steel Report will review the steel and iron trade tomorrow as follows:
The special dullness that always characterizes the steel market in July

has probably come a month ahead of the usual time this year. At any rate the market is as stagnant as it was expected to be in July and no one in the trade feels that conditions as to demand can now grow worse. Buying and specifying is of extremely limited character, and the indication is plain that steel mill operations, which have been decreasing during the past month, will be lower still by the middle of June. The opinion is common, though not universal, that actual consumption of steel is in excess of the present production, or in other words that stocks of steel are still being liquidated. The actual ultimate con-

sumption, it is held in most quarters, could not decrease to the stage represented by a 25 per cent operation. It is possible, however, that there is in progress a liquidation of stocks of manufactured goods made from steel. Steel mill operations averaged about 31 per cent of capacity in April, and the fair guess is that in May they ran two or three points less, while it seems inevitable that before improvement sets in the 25 per cent line will be crossed. These percentages are not to be compared with 100 per cent, however, since a 100 per cent operation of the present capacity has never been reached. The average in the first

nine months of 1920 was about 80 per cent. The steel industry regards the business situation as one of continuance of liquidation, with some prices and wage rates still altogether too high. It regards its own prices as far below the level of those that most require adjustment to bring everything in line. While prices of the regular mill products will doubtless be lower before they are higher, the greatest reduction required is in the cost of construction work in general and of warps made from steel as they are sold to the general public or the ultimate user. The steel prices developed

about the middle of April are well held on the usual run of orders going, these being for very small lots.
Chamberlain's Cough and Diarrhoea Remedy.
Every family should keep this preparation at hand ready for instant use when needed. Severe attacks of colic and cholera morbus often prove fatal before medicine can be procured or a physician summoned. The uniform success that has attended the use of this remedy and the prompt relief it has effected have made it a staple article of trade.—Advertisement.

Good for Women, too.
Foley Cathartic Tablets have long been a favorite physic with men. Women suffer as much as men do from indigestion and constipation, and they also require a scientific remedy to keep the stomach sweet, the liver active and the bowels regular. Mrs. Geo. Powers, 84 Winthrop avenue, Revere, Mass., writes: "I have taken Foley Cathartic Tablets and I recommend them to everyone." They banish biliousness, headache, bloating. Sold everywhere.—Advertisement.

GIRLS! LEMONS WHITEN THE SKIN

Squeeze the juice of two lemons into a bottle of "Whitening Cream," and you will supply for a few cents, shake well, and you have a quart of pink of henna, less and "Whitening Cream" bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then sweetly rub the beauty and whiteness of your skin.
Famous Stage beauties use this lemon lotion in breast and bring that soft, clear, baby-white complexion, also as a freckle, sunburn, and tan bleach because it doesn't irritate.—Adv.
